

Submitter: Laurel Hines

On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure: SB1537

I urge the committee to eliminate the provisions for the one time urban growth boundary expansion. It is not needed, could likely be mis-used by developers to create the kind of housing that is not of greatest need, could create increased needs for infrastructure, and opens the door to damaging Oregon's land use system that has done so much for Oregon.
