

Submitter: Amanda Robinson

On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure: SB1537

I believe strongly in the below following statements

YES to infrastructure funding that prioritizes affordable housing within existing urban growth boundaries

YES to climate-smart incentives

YES to the Housing Accountability and Production Office

YES to prioritizing building in livable, walkable neighborhoods

NO to unnecessary UGB expansion loopholes that push already-marginalized people farther from their communities and resource networks
