

Submitter: DIANA BOOM

On Behalf
Of:

Committee: Senate Committee On Veterans, Emergency Management, Federal
and World Affairs

Measure: SB1548

We need to get back on Standard Time for many good reasons:

1. ending the mess of changing clocks twice a year.
2. safety for children, commuters and outdoor worker during early morning and evening.
3. many health and safety organizations have endorsed this change.

Thank you for supporting this bill.
