

Submitter: Victor Sanders

On Behalf  
Of:

Committee: Senate Committee On Veterans, Emergency Management, Federal  
and World Affairs

Measure: SB1548

Dozens upon dozens of health organizations and countless individuals concerned with the study of health, circadian rhythm, and sleep agree: standard time is the one!

I support this change and believe it is the best for Oregon. The benefits outweigh the concerns. Remember, Daylight Saving Time was an experiment—we can correct it and go back to the way things were!
