

Submitter: Joseph Angland

On Behalf
Of:

Committee: Senate Committee On Veterans, Emergency Management, Federal
and World Affairs

Measure: SB1548

I would prefer to change to Alaska time with no day light savings. I just want the time changing to stop. I dread the time change. It always mess up my sleep for a week. When people loose an hour of sleep accident spike. People are cranky. It is horrible and it needs to stop.
