

Submitter: Brad Dennis  
On Behalf Of:  
Committee: Senate Committee On Rules  
Measure: SB1548

I was sorry to see that SB 1548, to establish year-around standard time, has run into difficulties. I can imagine that this bill has a lot of supporters on each side of the issue. Perhaps senators have voted NO because of their concern for bad feelings from the people who elected them.

Why not offer an amendment that would put this issue up for a vote in the general election in November?
