

Submitter: Elizabeth Darby

On Behalf Of:

Committee: House Committee On Rules

Measure: HB4024

Pass REAL campaign finance reform, or let voters decide by putting something on the ballot.

My name is Elizabeth, I spent my career in D.C., and over the 25 years I was there, I “followed” the money in my work. It went from bad to worse, until I left in disgust and despair. And, since then, it has just gotten worse.

Let the voters of Oregon decide.

Thank you, Elizabeth Darby
