Committee: Senate Committee On Rules
Measure: SB1548

I want to stop changing the clock. Since daylight saving time is just not possible without congressional approval, and after waiting five years for Congress to approve a DST bill that passed here in Oregon in 2019, standard time has become a common-sense choice for 2024 and doesn't need approval from Congress. Research also shows standard time is the healthier choice! Please pass SB 1548 and bring common sense back to Oregon!
