Re: Oppose HB 4024-5  
Date: March 2, 2024

Dear Committee Members

Initiative Petition 9 contains the real campaign finance reform that Oregonians deserve. HB Bill 4024-5, written and pushed by big corporations and union lobbyists, has massive loopholes in its contribution limits and disclosure and disclaimer requirements. Giving next day notice for a hearing is blatant attempt to derail IP9.

Please oppose HB 4024-5. Let Oregonians vote for IP9, real campaign finance reform, in November.

Respectfully,  
Kathleen Boylan
