

The Sunrise Corridor Community Vision Plan

From Vision to Action:
Housing • Jobs • Safety • Livability

*Joint Committee on Transportation / Legislative Days
Wednesday, October 1, 2025*

What & Where is the Sunrise Corridor?

Jobs and Economy

Strengthen business and job opportunities in this region.

Neighborhoods and Places

Cultivate a neighborhood identity and prevent displacement.

Open Space, Public Health, & Environment

Increase health and well-being and access to nature and recreation.

Transportation

Support transportation needs by improving design and capacity to enhance the community road system.

By the Numbers & Impact Outcomes

Sunrise Corridor Community Visioning

What will change as the Sunrise Gateway Corridor Refinement Plan is implemented?

More housing, jobs, and public areas

- **32 acres** unlocked for storm water treatment, green space, and environmental restoration
- **27 acres of open space** unlocked for access by public
- **16 acres of land** unlocked for development
- **14,000 new jobs** will be enabled by this new infrastructure
- **17,000 new homes** will be enabled by this new infrastructure

More ways to get around

- **7 new miles** of sidewalks
- **5 new miles** of bike lanes
- **3 new miles** of shared-use paths

Better transit access

- **17 existing bus stops** improved, and new stops added
- **4 transit routes** with better connections and reduced travel times

Improved intersections and travel times

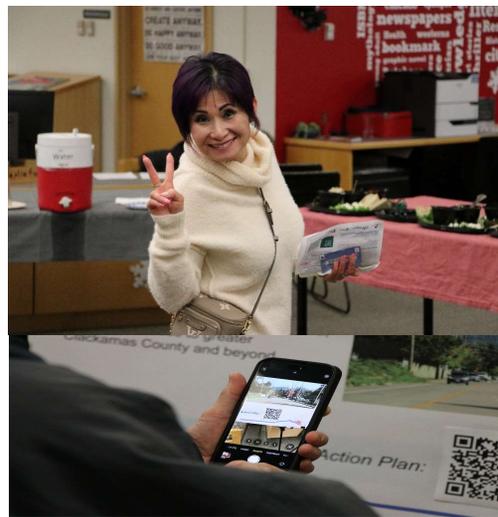

- **6 intersections improved** at 122nd, 135th, 142nd, 152nd, Rock Creek Junction, and 172nd
- **6 safer crossings** at property accesses
- **3,000 or more hours saved per day** travelling on Highway 212 during peak times
- **2 left-turning traffic redirects** between 135th and 152nd

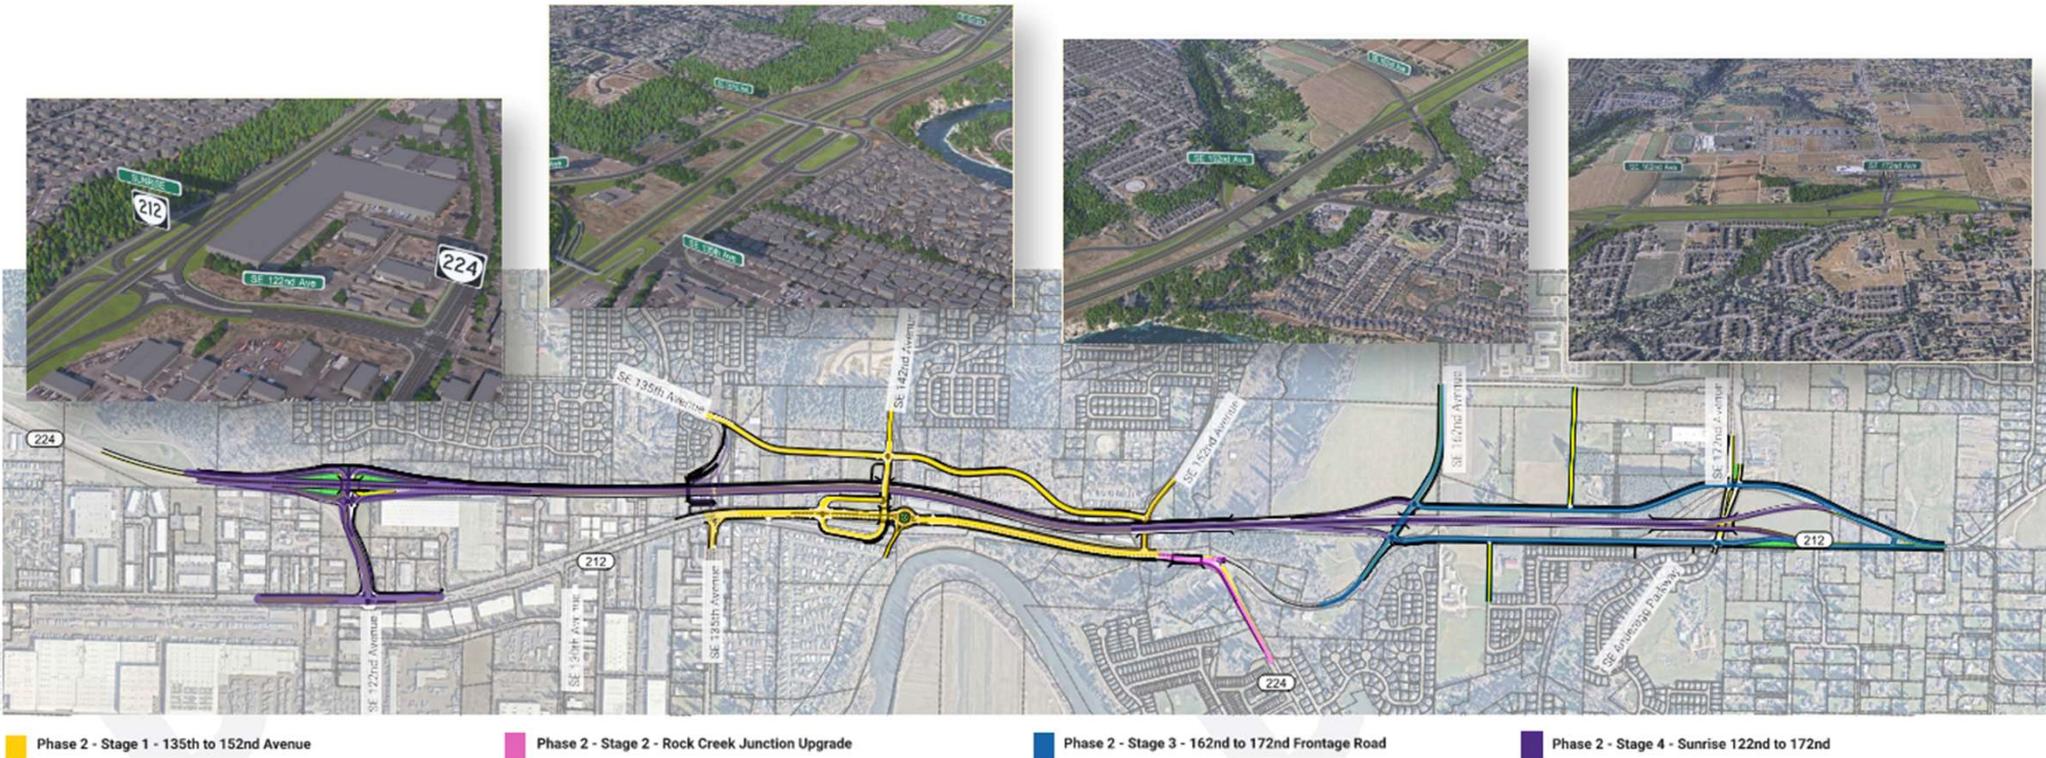

Thousands of People Participated...

Sunrise Corridor Community Visioning

Phases 1-3 have independent utility and do not depend on the construction of one stage prior to the others.

Stage 4 requires Stages 1 and 3 to be constructed in advance.

Alignment with Statewide Priorities

Sunrise Corridor Community Visioning

Housing and Jobs: 17,000 homes, 14,000 jobs

Safety: high-crash corridor, safer crossings, improved access to transit

Freight: busiest east-west route in Oregon, with statewide economic impact

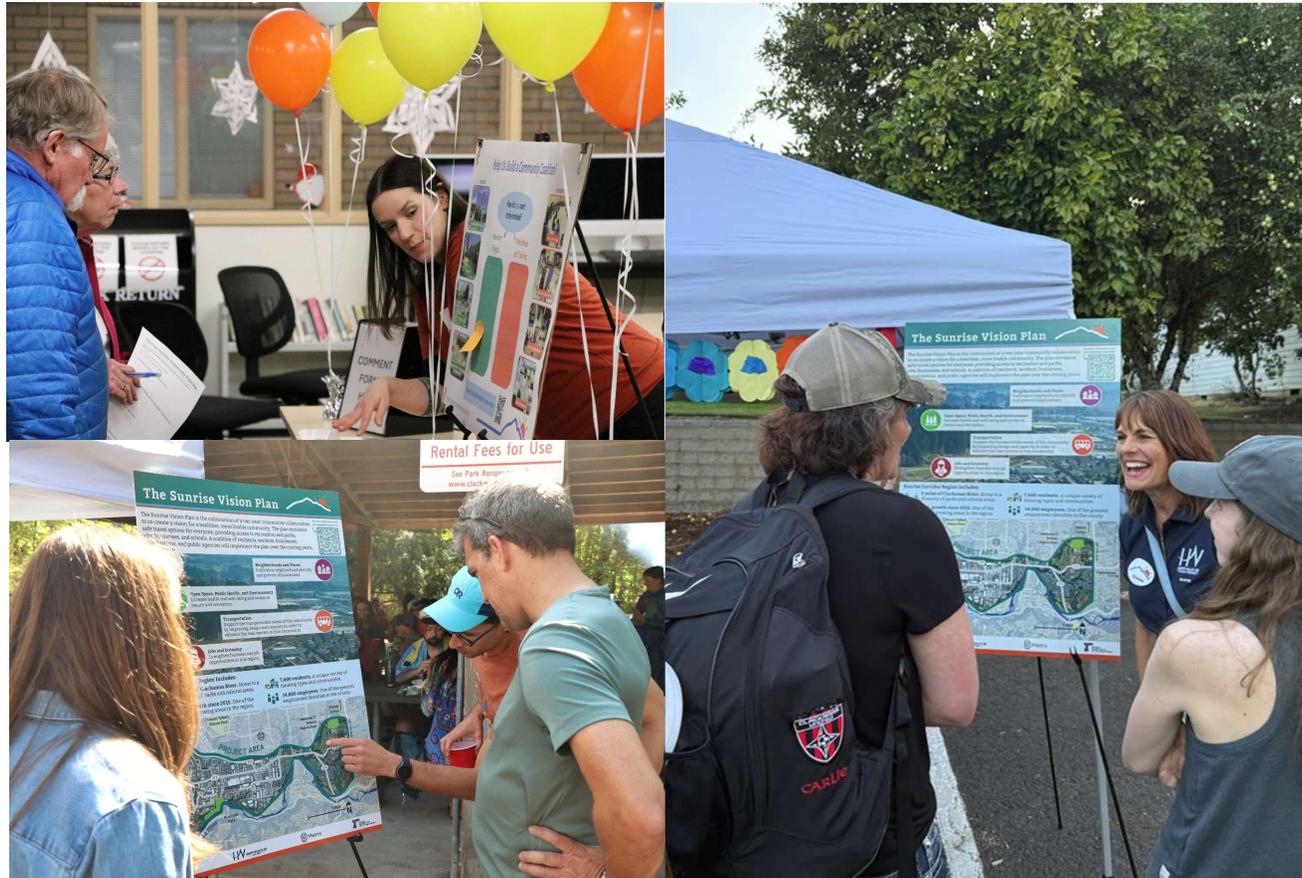

Climate & Community: open space, stormwater, heat island mitigation

Coalition Momentum
