# Overview: Falcon Report

## **Report Priorities:**

1. Clearing the backlog of appointments with specialty care providers.
2. Implementing the Electronic Health Records (EHR) system.
3. Developing a Continuous Quality Improvement (CQI) program.
4. Changing Health Services organizational structure.

## **Next steps:**

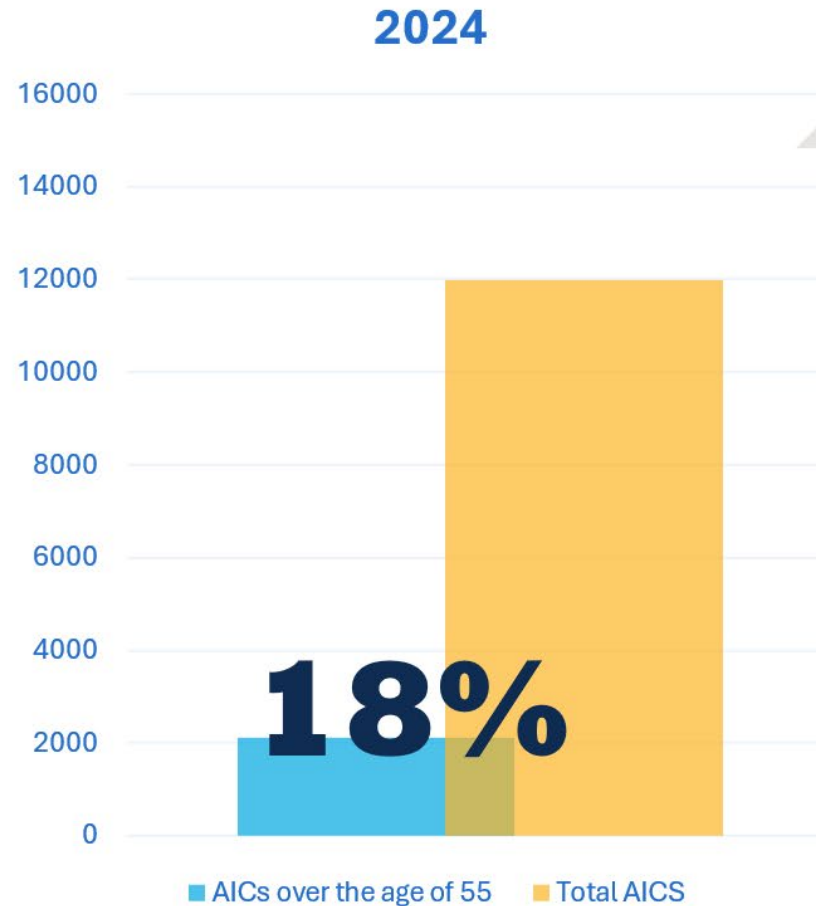

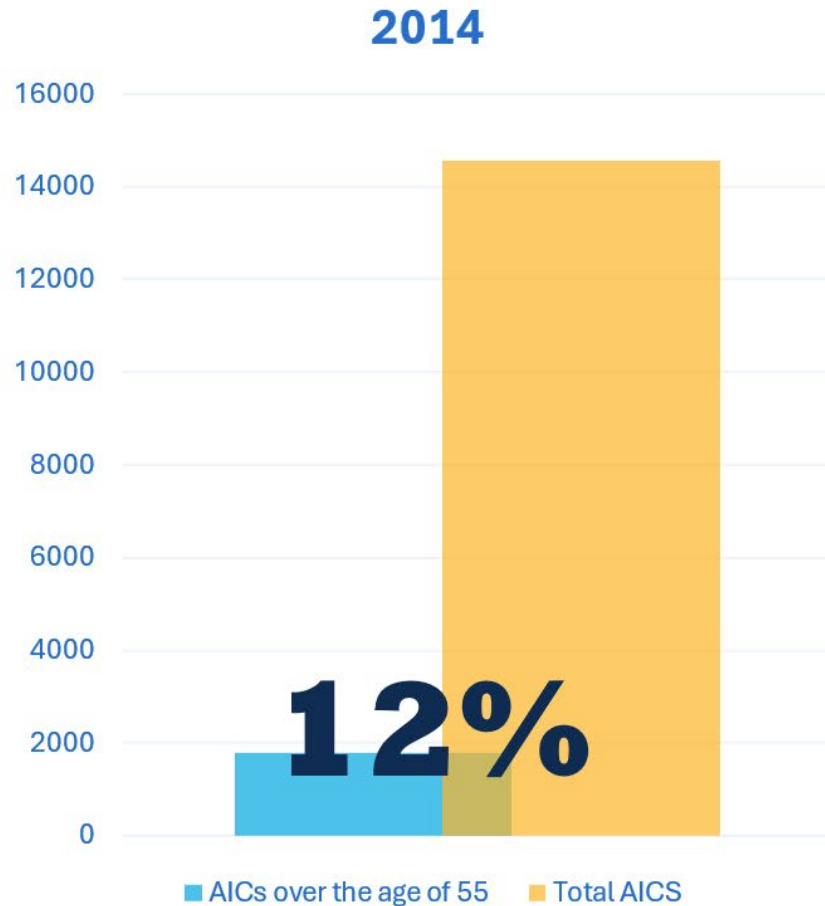

1. Continued rollout of EHR.
2. Publish 120-day Implementation Plan (December 9<sup>th</sup>, 2025).
