

PaintCare in Oregon

House Interim Committee on
Climate, Energy, & Environment

Nov. 17, 2025

PaintCare Program

PaintCare in Oregon

✓ Program Results (2024)

- ✓ 194 year-round drop-off sites
- ✓ 48 supplemental sites/events
- ✓ 102 free pick-ups of large quantities
- ✓ 98.3% of Oregonians live within 15 miles of a drop-off site
- ✓ 1 site for every 17,617 residents
- ✓ 650,000 gallons of paint collected
- ✓ 1.1 million pounds of containers collected
- ✓ 72% of latex paint collected was recycled, 5% of all paint collected was reused

+10,000,000 gallons collected since Oregon program start in 2010

PaintCare in Oregon

✓ Goal and Actions:

- ✓ To have all paint program products and packaging managed under a single PRO (PaintCare)
- ✓ ACA believed packaging EPR legislative process was going in this direction
- ✓ Paint PRO infrastructure is already in place, including highly successful program w/ DEQ oversight
- ✓ Oct. 2025: submitted rulemaking request to DEQ to fully exempt aerosol coatings/architectural paint
- ✓ Program able to work directly with CAA/DEQ to map any transitional period
