

SPECULATIVE TICKETS

A dark, atmospheric photograph of a person singing into a microphone on stage. The person is in profile, facing right, with their head tilted back. Stage lights create a warm, glowing effect in the background, with several bright spots of light visible against a dark background. The overall mood is intimate and dramatic.

SPECULATIVE TICKETS

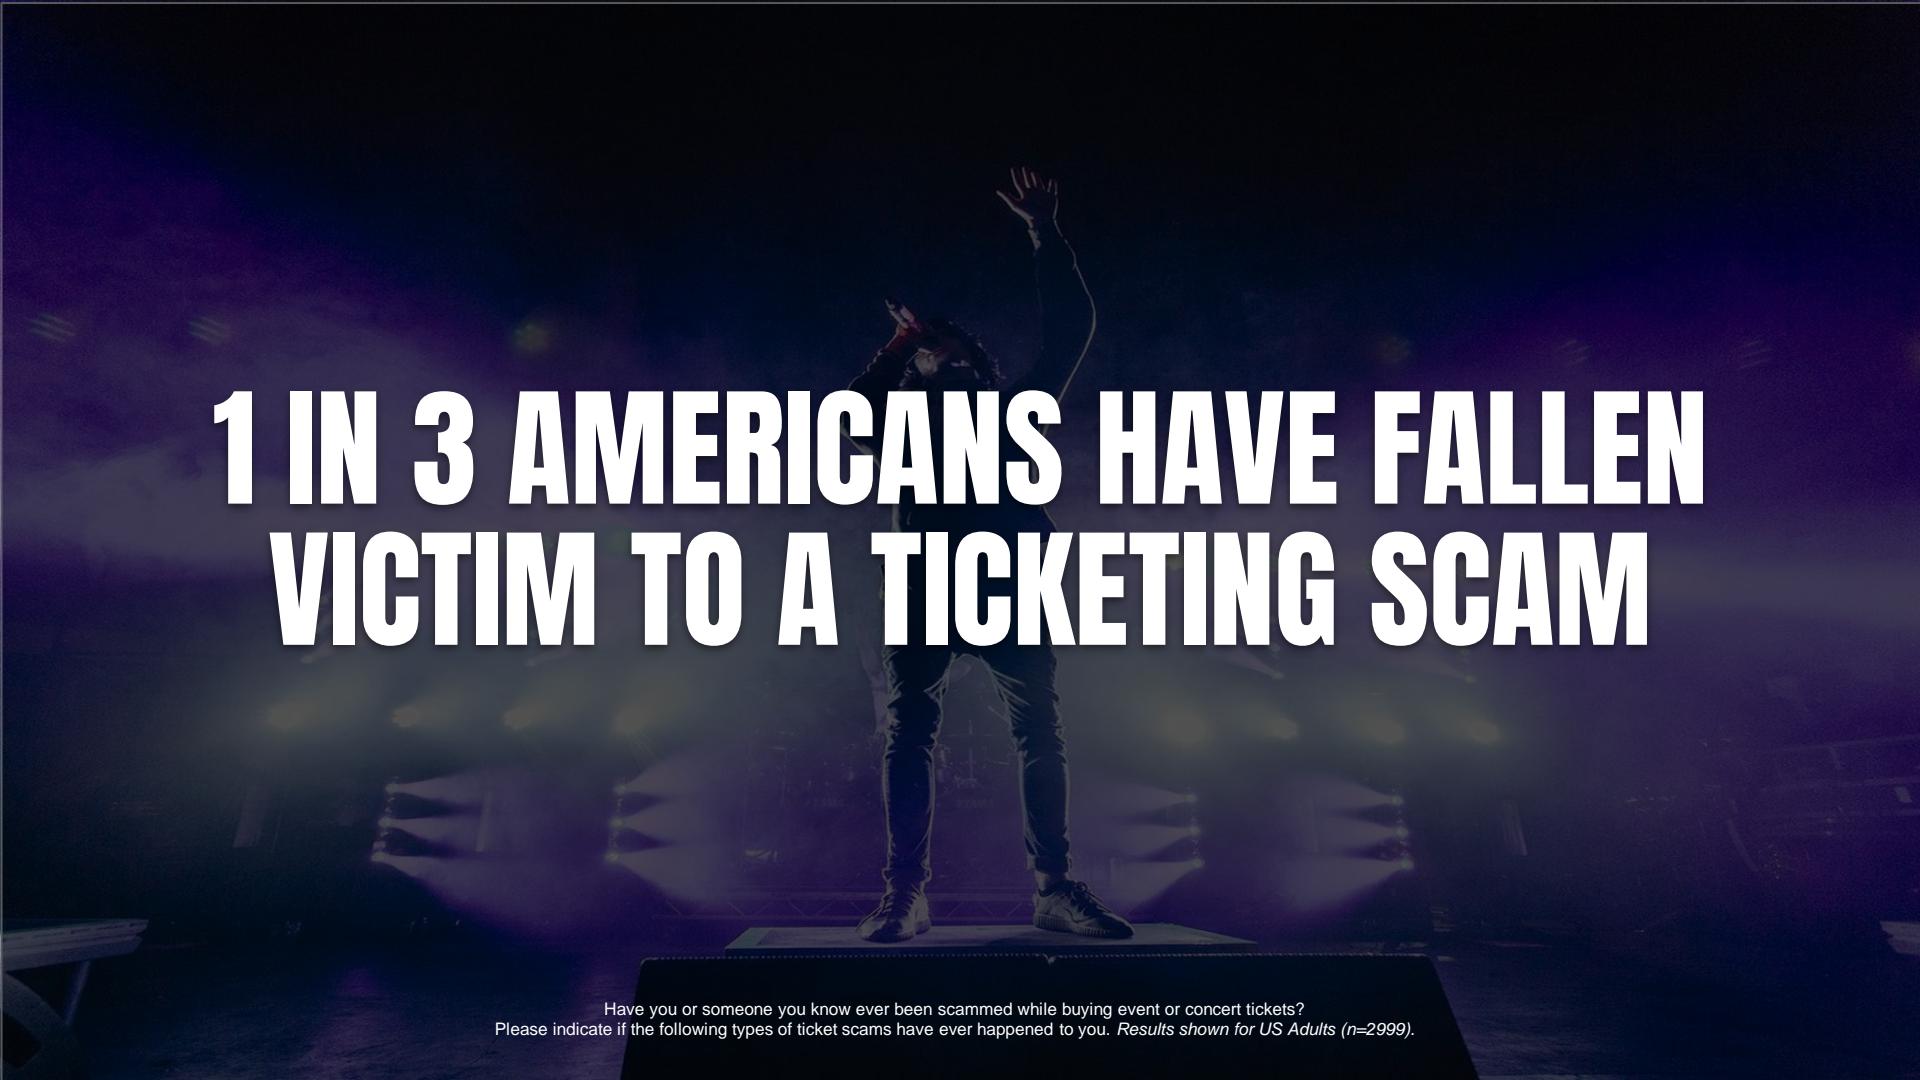

When a seller lists seats for a concert before buying them, hoping they can find or buy those tickets later. If they can't, the buyer suffers the consequences.

SPEC TICKETING HURTS FANS

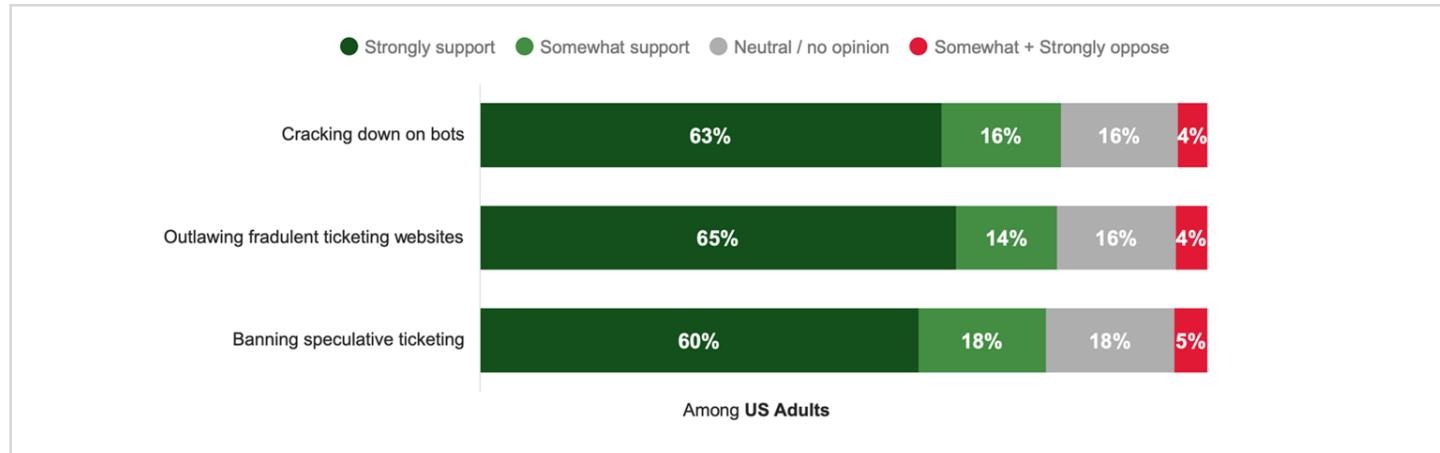

- WHEN PURCHASING ON THE RESALE MARKET, FANS PAY ON AVERAGE 2X OVER FACE VALUE
- OFTEN FANS HAVE A HARD TIME DISTINGUISHING BETWEEN FAKE/SPEC AND REAL TICKETS
- SOME FANS NEVER GET TICKETS TO THE SHOW AND ARE OUT THEIR MONEY
