

Joint Interim Committee on Transportation Oversight

Co-Chair, Senator Khanh Pham
Co-Chair, Representative Mark Gamba
Tuesday, Nov 18 2025

Oversight committees in state government play a crucial role in ensuring accountability, transparency, and efficiency within state agencies.

Goals of Joint Interim Committee on Transportation Oversight

- **Accountability:** Ensuring major transportation projects are being implemented effectively, efficiently, and in alignment with state goals, plans, and other state laws.
- **Transparency:** Making sure the public has information about key elements of major state transportation projects
- **Efficiency:** Ensuring sound financial planning of transportation projects to ensure efficient use of public dollars

Committee Discussion:

- How do transportation projects and their implementation impact your district?
- Why is transportation oversight important to you and your district?
