Dear Representative Evans:

Nature of the inquiry

On January 14th, 2026, during the Oregon Military Department's presentation before the Joint Subcommittee on Public Safety, you inquired if the facility changes and upgrades at the Corvallis Armory would result in a change in mission for B Company, 2nd Battalion, 162nd Infantry Regiment, who occupies the facility.

Agency Response

The mission for B Company, 2nd Battalion, 162nd Infantry Regiment will not change as a result of the changes and upgrades at the Corvallis Armory. These changes and upgrades are purely to improve the condition of the Armory and the quality of life for our service members.

Please let us know if you have any further questions.

Sincerely,

Sean McCormick
Chief of State Affairs
Oregon Military Department
