NO MORE TAXES! There is a very small part of the population that uses mass transit, and that's a fact. Those of us who live rural should not have to fund it! I have never been on a transit bus, or used the light rail ever! I DEMAND an AUDIT of where our taxes have gone!! Why is it standard practice to just keep raising taxes with zero accountability! Democrats need to get DOGE here and track where every dollar has gone. I'm 71 years old lived in this state my entire life and now Oregon is a shit hole because of democrat rule! All trust is gone! This will be the last straw for me, if taxes go up, we are leaving the state!
