Your mismanagement of funds and your crony capitalism do not represent the majority of Oregon's citizens trying to just live here and survive.

Your cost overruns are ridiculous and the allocation of your funding is scrupulous to put it lightly.

The Republicans have a plan to patch up the problem, but you fail to listen to them at all. Your proposed tax will only further hurt the citizens of Oregon.

Do the right thing and follow the Republicans plan.

Wishing you would actually read these comments, but knowing that you will ignore them.
