Are you really that fucked in the head. You give your girlfriend a job, other people get fired for that, but because you're a dumbacrat lesbian it's ok for you to do it. We pay enough tax here in Oregon i can't believe you want us to pay more. From what they say, you pay a shitton of our tax dollars to fund committees to figure out ways to tax us more.

In 1776 we fought the british to end the kind of shit you're doing you stupid bitch
