To Whom it may concern,

I vote No on these tax increases! Oregons Democrats and Governor are chasing the hard working middle class out of this state, the small businesses and even the large businesses are packing it up! How about do an audit of mismanaged funds, unnecessary programs that help people who do not want to help themselves, and reevaluate this budget shortfall before steeling the money from people that have worked their whole life, make an above average income, yet can not get ahead! I am all for helping people that want to help themselves. I am not happy with anything that is happening under Tina Kotek's agenda. She will not make me leave my state! I will start fighting for what I believe is right! I am utterly disgusted with Oregon!

Figure it out without raising our taxes anymore!

Thanks,

Maryanne Kern
