

Submitter:	Deborah Early
On Behalf Of:	My family
Committee:	Joint Interim Committee On Transportation Funding
Measure, Appointment or Topic:	LC 2

Dear Governor,

These new taxes you are imposing are simply too costly for my family. We live within a very tight budget and we are asking you to do the same. We cannot ask for more hours to work or a higher wage to cover these expenditures you propose, those options are not available for us. More taxes will definitely hurt us financially. Please, do not raise taxes when you have other realistic and viable options.

Thankyou for your attention in this matter.

Deborah Early
