Governor Kotek is driving business out of Oregon with unparalleled spending through taxation. I,am 66 years old and for the first time in my life considering moving out of state because of the absolute lunacy of our current governor. I pray daily for the recall effort to be successful.

Please cut back and please NO new taxes. I was an educator for 46 years in Oregon and I can't retire because of the crazyness of our state government under the direction of Govenor Kotek. NO MORE TAXES! It's time to review ODOTS spending and hold people accountable - It is NOT time to bleed the people of Oregon even more than has already been done. NO MORE TAXES. ENOUGH!!!
