Please do not raise my gas taxes again! Please take the funding for bicycle and pedestrian lanes and use it to repair our roads here in Oregon. I live in rural Rainier and we do not have bike lanes or pedestrian lanes. All we use are our roadways.

Please do not pass a Bill to require a mileage counter in my Prius. I live across the bridge from Longview Washington and a good share of my driving is in Washington State.

Thank you in advance.

Sincerely,

William Goodwin.
