Funding

Measure, Appointment or  
Topic: LC 2

Please explain to me why we the people have no say in this. We deserve the right to vote on tax increases. You were elected to manage in the best interests of the people. We are taxed enough already. Do your job and manage our money like you are supposed to, rather than just say we need more money. There is enough money! Do your job. What do you do at home when finances become restricted? You cut back!! DO YOUR JOB AND MANAGE THE MONEY YOU ALREADY HAVE AND STOP EXPECTING THE TAXPAYERS TO CARRY THE BURDEN JUST BECAUSE YOU CANT DO YOUR JOB. raising taxes without the say of the people is wrong and you know it. You are doing this because if you were to put it to a vote it would be unsuccessful. The people pay enough tax already!!
