

Submitter:	Tim Willard
On Behalf Of:	Everyone that lives in Oregon
Committee:	Joint Interim Committee On Transportation Funding
Measure, Appointment or Topic:	LC 2

We are 100% against whatever sneaky agenda this Oregon liberal governor is trying to do to the people! Enough taxes and fees we pay way too much to live here. You work for the people so start doing your job and listening to what the people want. Stop wasting our tax money on stupid shit and put it towards schools and things that matter and actually make a difference!

Sincerely an outraged and fed up Oregonian!
