NO MORE TAXES WITHOUT OUR BEING ABLE TO VOTE ON IT!

I am retired and living on a fixed income. You are doing your best to make me homeless for the 6th time in my life! KNOCK IT OFF!

Your gas tax increase, registration fee increase are insane, KNOCK IT OFF!

Tolls on the highways already paid for with previous gas taxes and registration fees, that I have to drive on to get to the VA hospital where I get my health care, will mean I can no longer get to my doctors appointments. thanks for that. I guess I'll just die earlier which means less tax from me to you.
