Hello

I am not a native Oregonian but I have lived here for half of my 61 years. During that time I have seen the paradise I found turn in to paradise lost. The neverending taxes and fees for simply living a life never seem to stop or be enough. While the rest of us tighten our belts Salem continues to bore new notches in theirs. Please I implore you to understand the term "live within your means" the way the rest of us have to do. If I am not mistaken ODOT is Oregons largest employer and I have to believe that with the new requested taxes it will simply become more bloated. STOP! ENOUGH! NO MORE MONEY!
