It's pathetic that Tina Kotek's addiction to power, and all those who stand in line with her, and the idea that Oregonians can afford more taxes is the best thing to happen to Oregon. Thank you for shining light on how dark our house of self-serving representatives is. We appreciate you bringing national attention to this matter. Now, we can vote all of you who think and justify that even one cent is ok. When The People say NO NEW TAXES, we seriously mean NO NEW TAXES!!! Happy Labor Day weekend to those who can still afford celebrating it. Thank you, in advance, to all those who vote NO. Thank you.
