This massive tax hike is simply not justifiable. There is zero accountability for ODOT and how they spend money. All of Oregon's government agencies are known for mismanaging tax payer funds. ODOT is no different. Firing maintenance workers is also manipulative and unjustified- the public knows what your doing. Laying off low totem pole workers who are putting out sob stories to the media while the higher ups continue to get paid bloated salaries is sickening. And its transparent. And it wont work. Oregonians can't afford this tax hike. Find the money somewhere else, stop coming to the tax payers with your hands out.
