Tina Kotek, STOP. You and Your Minions are Going Way Too Far.

If this Ludicrous and Attack on the Citizens of the State of OR manage to get this Massive TAXATION bill passed, there will be a Multitude of Vehicle Owners who with NO LONGER BE ABLE to continue to make Medical Appointments anywhere in or Out of OR.

WOULD YOU BE KIND ENOUGH TO STOP YOUR MASSIVE SPENDING AND ACCOUNT FOR THE DOLLARS YOU DO SPEND TO THE RESIDENTS OF THIS STATE?

I have had enough of You and Your Lovely little Democrats and Spenders shoveling \$\$\$\$\$ into every pocket You can think of to take More and More and More from those who are already in Need.

Just STOP !!! You have Taxed Us Enough.

Respectfully,
Mrs. Kathy J Heitz
