"I live in La Pine, OR, and I commute to work in Prineville, OR on a daily basis and I am deeply concerned about the transportation tax bill. I am already spending over \$1000/mo in gas commting. Families like mine are already stretched thin. Any additional taxes and fees would make daily life unaffordable. Like my family has had to, ODOT must also tighten its belt. ODOT should refocus their spending and prioritize keeping Oregonians safe on the road. Please consider alternatives that don't financially punish Oregonians."

Along with the other propsed taxes and fees, I will not be able to afford the necessities in life. I am now 64 years old and on a limited income.

The proposed 100% increase or any increase in the payroll tax is unfair to the working class and I oppose any and all parts of this Bill
