"I live in Sherwood, and I am deeply concerned about the transportation tax bill. Families like mine are already stretched thin as you have already raised our taxes. My paycheck is not your piggy bank. Any additional taxes and fees would make daily life unaffordable. Like my family has had to, ODOT must also tighten its belt. ODOT should refocus their spending and prioritize keeping Oregonians safe on the road. Governor you chose to use the majority of ODOT monies to clean up the graffiti and garbage from the homeless. You need to reconfigure how you spend the money that you've already taken from us for the homeless situation that have occurred under your administration and total control. Please consider alternatives that don't financially punish Oregonians."
