I live in Salem and I am a retired person who is deeply concerned about the transportation tax bill. Families like mine are already stretched thin. Any additional taxes and fees would make daily life unaffordable. The fees on gas and licensing are already very high. Like my family has had to, ODOT must also tighten its belt. ODOT should refocus their spending and prioritize keeping Oregonians safe on the road. Please consider alternatives that don't financially punish Oregonians.
