I feel the upcoming debate on Odo's finances are to be looked at to save money. The upper echelon of ODOT should be cut not the working personnel. I worked for ODOT for 14 years and saw this outfit waste money. I believe that we should not have higher taxes Unfortunately our governor who is a socialist Democrat leads the way to get out of debt is spend more money and that's not how you get out of debt. Oregonians are taxed horribly and the legislature thinks that Money ?? grows on trees. Well it does not. It's time to wake up and do the right thing for all Oregonians by not raising taxes. Thank you.
