NO new taxes,

CUT the government.

To whom it may concern:

Businesses and Families always have to cut the budget when times are tough.

The state should learn from these hard-working people and CUT the budget.

Don't YOU people understand?

Our families are struggling to get by.

My elderly parents cannot afford to go to the dentist or the doctor, and YOU want more.

My children are struggling to feed their children, and YOU want more.

My friends and their wives work 50, 60, 70, sometimes 80 hours a week to make ends meet, and YOU want more.

NO MAS!!!

NO MORE!!!

We the PEOPLE are broke.

Taxed
