Committee: Joint Interim Committee On Transportation
Funding

Measure, Appointment or
Topic: LC 2

It is time for the State of Oregon to demand accountability from the Transportation Department and other State departments. Instead of looking for ways to economize and use funding already in place, the Transportation Department continues to ask for more. The taxpayers of Oregon are already paying too much. The government should not be asking for more and instead work on using existing monies more efficiently. I urge a NO Vote on this terrible overreach.
