Funding

Measure, Appointment or
Topic: LC 2

I strongly oppose the Oregon Governor's plan to fund ODOT. I appreciate her effort to solve the problem but in my opinion the solution lies in a reorganization of ODOT, not placing the burden on our citizens that have been paying the bill already. ODOT needs to be managed in a way to operate on their current budget amount. Please do not burden our already stretched Oregon tax payers with the proposed fee increases.

Thank you,

Edward Kammer
