I've retired at the age of 73... and in one year my property taxes went up \$200 a month and electric bill up \$75 a month. And now you want more? You already increased DMV FEES IN THE RECENT PAST and now you want even more. HOW ABOUT NO NEW TAXES and NO PROPERTY TAXES... THE ELITE POPULATION CAN PAY YOUR TAXES... THE REST CAN'T AFFORD IT.

SINCERELY, PATRICK M. OGBORN
