I live in The Dalles, Oregon and I am deeply concerned about the transportation tax bill. Families like mine are already stretched thin. Any additional taxes and fees would make daily life unaffordable. Like my family has had to, ODOT must also tighten its belt. ODOT should refocus their spending and prioritize keeping Oregonians safe on the road. Please consider alternatives that don't financially punish Oregonians. Please budget the taxes you are currently collecting from the Oregonian's properly and we would not be in such a horrible mess. There are alternatives.
