I'm writing in opposition of LC 2 2025-2026 Interim

Dear Honorable Committee Members

My name is Cathy Rackham. I live in Millersburg, OR which has an Albany address. I am a concerned Oregon citizen and a Linn County Republican PCP in precinct 76 in Linn County.

The People of Oregon are sick and tired of the continued abuse of our Tax Dollars by the legislature and the Governor! This is another Measure that increases taxes by at least 50% in many cases creating a burden on the citizens of Oregon.

It also transfers the appointment and removal authority of the ODOT Director to the Governor! This is a **BIG NO!** This Governor is more concerned about WOKE policies and illegal aliens than she is about her protecting and helping Oregon citizens. I can't imagine what she would do if she had authority over ODOT!

If you or the Governor want more money for transportation operations, then do away with the waste in our government and use the money saved by getting rid of the WOKE policies!

I oppose LC 2 2025-2026 Interim and ask you to vote No on this Measure/Bill.

Thank you for your service to our great state of Oregon.

Sincerely,

Cathy B. Rackham
