

Submitter: RebeccaE Greenman

On Behalf Of:

Committee: Joint Interim Committee On Transportation
Funding

Measure, Appointment or LC 2
Topic:

I am against the governor's Transportation Package which would increase vehicle registration fees and raise our fuel tax.

Funds are already allocated to ODOT and should be used more judiciously. Also, other line items in the governor's budget could be rerouted to supply urgent needs of ODOT.

Thank you for your attention to this matter. Rebecca Greenman, native-born Oregonian
