This constant assault on the citizens of Oregon to drain their wallets to zero MUST STOP !!! The monies that Kotek already has taken by all kinds of fees, taxes, and other "named" methods of collection is being WASTED in so many ways for so many "projects" that are NOT needed. There are taxes upon taxes and the double dipping is ridiculous. Call it some other name, but it's still a tax ! ANYTHING that takes money out of our pockets is a TAX ! Putting lipstick on a pig still leaves it as a pig, and we have the entire farm ! So call it off, but not matter WHAT YOU DO your time is up (!), and the minions you have are also done ! The real, live citizens of Oregon are FINISHED with the bullshit, and we won't take it anymore. Like Kotek wants to fight Trump on sanctuary cities, and the sanctuary state, we are going to FIGHT Kotek until she's (politically) dead and buried.
