Committee:	Joint Interim Committee On Transportation Funding
Measure, Appointment or Topic:	LC 2

I am a retired senior on a fixed income. Ive paid taxes my whole life. What I would like to see is the state use the funds they have for the purposes they were collected. Instead monies go for pet projects in Portland and DEI projects for which we the people did not vote. Please use the monies we have already given you. We can no longer afford this constantly rising and bloated government grift.
