I live in Tigard, and I am deeply concerned about the transportation tax bill. Families like mine are already stretched thin. Any additional taxes and fees would make daily life unaffordable. Like my family has had to, ODOT must also tighten its belt. ODOT should refocus their spending and prioritize keeping Oregonians safe on the road. Economists and others have shown how ODOT can meet their budgets in ways that do not overburden taxpayers. Please consider alternatives that don't financially punish Oregonians.
