I live in Albany, and I am deeply concerned about the transportation tax bill.

We are a retired couple and our finances are already stretched thin. Any additional taxes and fees would make daily life unaffordable.

Like my family has had to, ODOT must also tighten its belt. ODOT should refocus their spending and prioritize keeping Oregonians safe on the road.

Helping to make living in Oregon affordable should be a priority of elected officials. This isn't happening, please consider alternatives that don't financially punish Oregonians.
