

I live in Corbett, and I am deeply concerned about the transportation tax bill you are considering passing. Our family is already stretched as thin as it can go. Citizens of Oregon are already taxed too high. Any additional taxes and fees would make daily life unaffordable. Like my family has had to, ODOT must also tighten its belt. ODOT should refocus their spending and prioritize keeping Oregonians safe on the road. ODOT needs to balance the budget they have and stop the waste. Raising taxes when it is not in the best interest of Oregonians is not a solution it is a band aid. Please consider alternatives that don't financially punish Oregonians.

*Thank you for your careful consideration,
Cynthia Fahy*
