Co-Chairs Wagner and Fahey, Vice-Chairs Bonham and Drazan, and Members of the Committee,

Thank you for the opportunity to provide testimony in support of LC 2. My name is Alex Wyatt and I've worked as an ODOT Lead Systems Analyst for 6 years. My position supports the DMV in developing and maintaining the software solutions necessary to conduct DMV business including vehicle registration and driver license issuance.

The planned lay-offs will reduce our DMV application development team by roughly 45% and severely reduce our ability to provide software fixes and additional functionality as requested by DMV business.

Please vote in support of this proposal and invest in ODOT to keep Oregon safe and moving forward.

Thank you,

Alex Wyatt
