I live in Grants Pass, Oregon. My family, like most others, has serious concerns about the Transportation Tax Bill. PLEASE DO NOT PASS THE TRANSPORTATION TAX BILL. Our family already is financially stretched, and any additional taxes and/or fees would make even our moderate lifestyle unaffordable. Like we have had to do, ODOT should prioritize. Keeping Oregonians safe on the road should be first priority, and spending needs to be refocused accordingly. Again, PLEASE DO NOT PASS THE TRANSPORTATION TAX BILL. Instead, refocus spending on necessities for safe travel, and AUDIT ODOT rather than punishing Oregonians financially.

Sincerely,  
Elizabeth Gomez
