Committee: Joint Interim Committee On Transportation  
Funding

Measure, Appointment or  
Topic: LC 2

I am opposed to the Governor's tax increases, those that she called this special session for. I made it clear during the regular session that I could support the Republican plan to deal with the funding shortfall. So if the Republican leadership comes up with a proposal, I am sure that I could support it. Again, I AM OPPOSED TO THE GOVERNOR'S TAX INCREASES!
