Measure, Appointment or
Topic: LC 2

I am writing as a concerned constituent from [Your City/Town] to respectfully urge you to oppose the proposed tax hike currently under consideration. As an Oregonian, I value our state's commitment to supporting its residents, but I believe this tax increase would place an undue burden on individuals, families, and businesses already navigating economic challenges.

As a small business owner, this tax increase would strain my ability to maintain operations and retain employees. As a citizen of this once great state, it is increasingly difficult to live here. I respectfully request that you vote against the proposed tax increase and advocate for policies that prioritize fiscal responsibility and the well-being of your constituents. Thank you for your time and consideration.
