

Submitter: Ed Kirkham

On Behalf Of:

Committee: Joint Interim Committee On Transportation
Funding

Measure, Appointment or
Topic: LC 2

I am a newly retired Oregonian. Seniors and others cannot continue to pay additional taxes on fuel, car registrations and other motor vehicle taxes.

Please reorganize ODOT and make them more efficient and accountable for funds they now have. If taxes and utilities continue to rise , I and others may be forced to leave the state.

Please no new taxes!
